Hike Support Information:

Warning: There is no guarantee anyone else will be at the carpool meeting place, so come prepared (with your directions) to drive yourself in case no one else shows up. Carpoolers should be at the meeting place prior to the suggested meeting time so the carpool can leave on time.

CARPOOL INFORMATION Grossmont/La Mesa: from East I-8, exit at Jackson Drive & turn left. At the next light, turn right to Murray Drive. From I-8 west, exit Jackson Drive & go straight across the intersection. The Park & Ride is next to the Red Lobster Restaurant (do not park in the restaurant's half of the lot).

Mission Valley: I-8 to Qualcomm Way off-ramp. Go west on Camino de la Reina. Park on Camino del Este near Camino de la Reina. Meet near the NE corner of Camino del Este and Camino de la Reina.

La Jolla: From I-5, exit Gilman Dr & turn west. To get to the lot, make a U-turn on Gilman & the lot will be on your right before the southbound on-ramp to I-5.

El Cajon (old): Meet on the southwest corner of Second St & Oakdale Ave. Take I-8 to Second Street exit. Go south one block to Oakdale Avenue. Park on Oakdale. (This El Cajon location has become crowded; many prefer to use the newer Los Coches facility.)

El Cajon: Take I-8 to Los Coches Road. Exit south & then left on Camino Canada. Thomas Bros. 1252, 1-D, 2001

Mira Mesa: From I-15, go west at Mira Mesa Blvd. Take the first right into the Park & Ride lot. From eastbound Mira Mesa Blvd, turn left (north) on Westview Pkwy & immediately right; drive past the north side of Best Buy.

Rancho Penasquitos: Take I-15 to Rancho Peñasquitos Blvd/Poway Rd exit. Go one block west on Rancho Peñasquitos Blvd. The Park & Ride is on the south (left) side of the street behind the Unocal 76 gas station.

Trip Grading System: The first letter shows the general difficulty of the trip.

E – Easy: Anyone in reasonable condition can do this trip.

M – Moderate: You must be in good shape, and previous hiking experience is recommended.

H – Hard: You should have comfortably done several moderate trips before tackling this. Look carefully at the mileage and elevation gain.

S – Strenuous: Talk about this trip with the leader. A fast pace may be required, besides other challenges.

V -Very Strenuous: This is for very experienced hikers. You may encounter difficult terrain. Don't try it until you are ready.

The number after the first character is the distance in miles (on multiple day trips it is for the longest day). For example, M9B is a moderate 9-mile hike.

The last letter shows the elevation gain. For multi-day trips, the grade is the day with the most elevation gain. For example H12D is a hard 12-mile hike with a 2,000-3,000 foot gain:

A: Less than 500 feet gain B: 500 to 1000 feet gain C: 1000 to 2000 feet gain D: 2000 to 3000 feet gain E: more than 3000 feet

Advance reservations are required when a "***" appears in the header or when the write-up states to contact the leader.

A quick reminder --any member may sponsor events (not hikes) and list them in The Happenings. Please send the event to escalagal@san.rr.com for publication. Hikes should be entered in the Chapter database <http://www.jimmc.com/SCWeb/Login.aspx> that will forward information to Outing's Chair for approval.
